ATHLETICS

ATHLETIC ACTIVITIES

Under the able direction of coaches Slade and Klosterman, the Jamestown Athletic Program has gone well. Though handicapped by inexperience the players won a number of games in all sports, and, incidentally gave our arch rivals, Trinity, quite a tussle.

Through the efforts of the Jamestown Improvement Association, the athletic department has been supplemented by the addition of a new athletic field with all the trimmings. Our boys dedicated this field with a victory over Summerfield, October 7, 1949. This field, along with our beautiful gymnasium, gave us one of the most up-to-date athletic plants in the county.

The Jamestown teams look forward to successful seasons next year. The boys returning for football will have a year's experience under their belts, and we are depending on them to give us some of their best games throughout their entire season. To the basketball pic-

ture we can add little to the already long-legged scrapping bunch of cagers who should wade through without difficulty. The girls who play basketball next year will be minus some of their best players, but there still will be able rough-and-ready girls to take over where they left off.

The Jayvee Basketball team, which will be the Varsity in years to come, had a big time, if not a successful season. These boys practiced every day and all have the one hope of being on the Varsity soon.

After basketball season, the boys got what they expected as baseball season came into view--a slam-bang, hard hitting, fast-moving season in baseball. With the expected hustling ball team our hard slugging ball players took the place of those who graduated from last year's big nine, and went through the season with very little difficulty.

To all of our past athletes, we give our solemnest salute to their good work. To the future stars to come, we leave the hope and assurance that they, too, will succeed in adding more victories to all our athletic activities.
